Consent

- 1 I have read and understood the Participant Information Brochure for this research project.
- 2 I have had the opportunity to ask questions and have had those questions answered to my satisfaction.
- 3 I understand that participation in the research is voluntary and that I may participate in the GEN Ai AT WORK program without agreeing to participate in the research.
- 4 I understand that the GEN Ai AT WORK sessions are recorded and transcribed as part of the program and that, if I consent to participate in the research, material from those sessions and any related research activities may be used for research purposes as described in the Participant Information Brochure.

- 5 I understand that any material used in reports, presentations, publications, or other outputs will be de-identified and will not include my name or identifying information.
- 6 I understand that I may withdraw from the research at any time by notifying the researcher in writing, without this affecting my involvement in the workplace program or my standing within North East Water.
- 7 I understand that raw research data will be securely destroyed at the conclusion of the research project.

I agree to participate in this research project.
